

## OUR FOCUS

### Youth Development

#### Nurturing the potential of every child and teen

At the Y, we believe the values and skills learned early on are vital building blocks for quality of life. In our youth sports programs, children and teens engage in positive, fun activities that build athletic, social and interpersonal skills. We encourage safety, fair play and good sportsmanship. Everyone plays. Everyone practices. Everyone contributes to the team's success.

### Healthy Living

#### Improving the nation's health and well-being

Youth sports at the Y promote lifestyle activities that bring together people with shared athletic and recreational interests. We encourage parent involvement, including volunteering as a coach, official, timekeeper or team parent. We encourage you to attend all practices and games, as we work together to support your child.

### Social Responsibility

#### Giving back and providing support to our neighbors

At the Y, we create support systems that welcome, celebrate, educate and connect diverse demographic populations. The Y is accessible to all people. Financial assistance is offered to individuals and families who cannot afford membership. We count on the generosity of people like you to contribute to our Y to help provide financial assistance for children to participate in youth sports and other Y programs. When you give, your gift has a meaningful, enduring impact.
